“The church at the heart of the community with the community at heart.”

FROM THE PASTOR

I have said in the past that I hated Annual Conference. I can say this no longer after my first New England Annual Conference. I was used to seemingly endless business sessions and debates that produced more heat than light. Last week’s conference had the standard business and there were resolutions passed. But I found this was the most humane conference I have attended. Our work was broken up with brief Tai Chi lessons from a Korean member that refreshed and revived us. There was a Circle Group where I sat with eight clergy and lay members in which we got to know one another and shared on a very deep level. I met with old friends and got acquainted with interesting people (including one of my wife’s students). Our District Superintendent Rene Perez gave an inspiring cabinet report which shared the great things God has done across our conference. The worship was uplifting. I literally heard a thousand tongues sing our great Redeemer’s praise. The guest preacher, Rev. Robert Hill was truly inspired. Bishop Sudarshana Devadhar preached on Ephesians 4:11-13. He addressed what he called the “elephant in the room,” namely the divisions in our denomination over the issue of homosexuality. He said the real issue is much deeper. It is the health of our communal heart as a people. “We do ministry together until we are unified,” Bishop Devadhar said. “We do not become unified in order to get ministry done.”

At the end of annual conference the closing benediction was as follows: *When someone needs a blessing, let us be a blessing. When someone needs a shoulder, let us be a shoulder. When someone feels distant and alone, help us show that we are woven, connected. When we need a tie that binds, let us be the tie that binds! As we go forth into this day, let us weave sunshine in all that we do. When we consider the earth and all its inhabitants, let us be the hope of tomorrow.* Pastor Stuart

THE LIVING BREAD FOOD

PANTRY The Summer months – June, July and August – are when food donations drop *significantly*. The kids are out of school and

families now need to feed their children breakfast and lunch at home. Often, school age children were provided these meals for free from their schools. If your workplace, volunteer organization, Pool club, neighborhood or social group can run a food drive for a few weeks during the summer months, that would be a **B – I – G** help.

Do you have a summer Veggie garden? If you would like to donate fresh produce, please call Becca Simon at 508-643-1238 to make arrangements to drop off your Summer bounty. (Drop off of fresh produce would most likely need to be done Wednesdays btwn 8:30-10am). You could coordinate with your friends and neighbors to gather up extra fresh veggies from your gardens and take turns dropping it off. Fresh produce is always needed and hardest to get.

Please see the suggested foods list enclosed in this issue of The Parish Friend. Feel free to make copies of the list to share. Together we are the Church - "The church at the heart of the community with the community at heart." We need you and thank you for your help feeding the people in our community this summer.

There's an opening for a volunteer to pick up breads every Wednesday morning around 8:00 to 9:00 am. Then bring the donation back to the pantry and help set up the bread on our tables. We have volunteers at the pantry at this time to help set up the breads and other donations. We could have one volunteer do this weekly or two volunteers share picking up. If you take a vacation, we can work around that, too.

On the 2nd Wednesday of the month, we receive a food delivery from the Greater Boston Food Bank, right here in our parking lot. Help is needed at around 12:30pm for about an hour to unload the truck and put the food away. We have a dolly cart, so no heavy lifting necessary. We can unpack any heavy boxes and use the cart to wheel the food into the pantry.

If anyone is interested in helping out in any way, please let Becca Simon know.

REPORT OF MEMBERSHIP - June 2018

We are happy to report we have 3 new members, who joined Plainville United Methodist in May. We extend a warm and friendly welcome to Diane Hurd-Bagley, Gil Bagley and Esme Smith.

We are saddened to report the death of 3 long-time members this Spring: Lou Harmon who passed away in April and Gary Berkley and Barbara Flück who passed away in May. Funeral services for Lou and for Barbara were held here at PUMC, with Pastor Stuart officiating. Rev. David Hill kindly assisted at Barbara's service. We extend our prayers and deepest sympathy to all their families.

On June 24th, Benjamin Daniel Morse, baby son of member Rebecca (Topping) and Andrew Morse was

baptized. He is grandson of members Dan and Elaine Topping. It is wonderful to welcome a new little one into our fold.

Prayers are kindly requested for Tami Beane who had knee surgery on June 19. Continued prayers for Eric Christensen who is in ICU at St. Elizabeth's Hospital after heart surgery.

CELEBRATION YEAR

As the celebration of our 125th anniversary comes to a close, we remember the saints who held their first service in their new church building 125 years ago on June 29, 1893. Our little church has done, and continues to do, great things in our community and beyond. We are very thankful Pastor Stuart has been re-appointed to PUMC for another year, by the recently convened Annual Conference of the United Methodist Church. Many thanks to our lay member to Annual Conference, Brenda Watkinson, for her faithful attendance and for her report.

SPECIAL ANNIVERSARY GLASS MUGS

We have a few special anniversary mugs left that are for sale @ \$10 each. Proceeds will buy Methodist grave marker medallions for the three Methodist ministers who served PUMC, and are buried in the Plainville Cemetery. You may purchase a cup after Worship any Sunday – See Eileen Newell.

EMAIL ADDRESS REQUEST

Do you have an Email address you would share with the Church? It would save the Church a considerable amount of money on paper, ink, postage and time if we could send your newsletter by Email.

We will protect your privacy and **never** share your Email address with any outside organization.

If you have an Email address that you're willing to share with us, please send us an email at plainvilleumc@verizon.net to let us know you have an Email address and are willing to use it for Church news. *Many thanks!*
